An Affiliate is not a franchisee, partner, employee, agent, representative of the Company or similar. S/he has no right to, and shall not, represent himself/herself as such. The relationship between an Affiliate and the Company is wholly governed by this P&P. As an Affiliate is not an employee of the Company, any costs s/he incurs in the development of his/her business are at his/her own expenses. S/he shall not be entitled to seek reimbursement from the Company.

4.7 Workmen's compensation

The Company is not responsible for payment or co-payment of any employee benefits for its Affiliates. Affiliates are responsible for their own liability, health, disability and workmen's compensation insurance, etc.

5. AFFILIATE'S RIGHTS AND OBLIGATIONS

5.1 Non-exclusivity

An Affiliate has a non-exclusive right to market and promote products of the Company. There are no geographical limitations existing on the referring or selling country, provided, however, that the Company reserves the right not to sell products or services in any states, territories or countries.

5.2 Right to refer

Only an Affiliate has a right to refer new an Affiliate to the Company and enjoy the benefits under the Compensation Plan for doing so. When referring new Affiliates to the Company, the referring Affiliate shall give the person/s that s/he intends to refer the referral link to the Affiliate Application Form.

Affiliates may receive literature and other communication from the Company. They will also be invited to, and upon payment of appropriate charges if applicable, participate in Company-sponsored support, service, training, motivational and recognition functions. They may also be invited to participate in promotional and incentive contests and programs sponsored by the Company.

5.4 No right to represent the Company as an agent or as an employee

An Affiliate has no right to negotiate or conclude any contract on behalf of the Company. S/he shall not represent himself/herself as an agent or as an employee of the Company.

5.5 Obligation for personal promotion

Regardless of their rank of achievement, Affiliates are encouraged, but are not obliged, to continue to personally promote sales through the introduction of new Affiliates.

5.6 Obligations to Downlines

Any Affiliate who introduces another Affiliate to the Company is highly recommended to perform a bona fide assistance and training function to ensure that his/her Downline is properly operating and conducting his/her Affiliate business. It is both to the advantage of Sponsors and their Downlines to have ongoing contact and communication. Affiliates must truthfully and fairly describe the Compensation Plan. No past, potential or actual income claims may be set out as a guarantee to prospective Affiliates. Affiliates may show their own incomes, or other Affiliates' incomes (if approved by the given Affiliate), but the Affiliates are not allowed to use any past, potential or actual income as an indication or guarantee of the success assured to others. Affiliates are obliged to inform any potential new Affiliate that there are no guarantees what so ever of incomes based on any other Affiliate's already made income. Affiliates shall not guarantee any commissions to prospects. If an Affiliate shows its past, potential or actual income to a prospect s/he shall also truthfully inform which activities s/he had to perform to gain such income, this to display a realistic and truthful picture of what is required for a prospect to actually gain an income at all.

5.7 Cross Lining

Subject to clauses 10.1 and 10.3, in general, no Affiliate may refer or attempt to refer another Affiliate from a different line of referral ship to 'switch' to another line of referral ship.

Examples of Cross Lining are:

- Placing new Affiliates of his/her own in lines of referral ship not below his/her Primary Position and encouraging the new Affiliate to work in its referral ship instead of in the original referral ship of the new Affiliate.
- Placement of a new Affiliate using anyone's name known to the Sponsor and placing it in lines of referral ship not below the Sponsor's Primary Position while intending to profit from the proceeds of the said new Affiliate.
- An Affiliate owning an interest in an entity that is an Affiliate in lines of referral ship not below his/her Primary Position.
- Entering in other lines of referral ship under the same name as an existing Affiliate other than the one used previously.

Any situation whether the above examples or others, found to be in violation of this clause shall be met with the greatest scrutiny and may result in termination of the newly placed Affiliate, as well as the Affiliate having instigated the said situation.

An Affiliate can only move under another Affiliate with a written permission from the original Affiliate. If it is not possible to obtain such a written permission, the original Affiliate may apply for the same to the company. It is the Company's sole decision to approve or reject such a request. The original Affiliate should give details and reasons in writing, why a move is desirable. If the reasons are reasonable and for the benefit of the company, a request can be approved.

5.8 Build network

An affiliate is not allowed to build the downline structure in such a way that it creates disadvantages to an Upline. An example, but not limited to, of this is if an Affiliate creates several positions under him/herself with the intention of collecting the commission him/herself, and thereby eliminating any provision to be paid out to an Upline. Any new set of 25 (twenty-five) Affiliates, or parts thereof, shall be registered on the original upline. There are 2 (two) ways for an Affiliate to structure his/her network: a) An affiliate build, with new personal referred Affiliates, in infinity on his/her 1st (first) and main/head position (which means an Affiliate's, one or several, position/s highest up); and/or b) An Affiliate start each new set of 25 (twenty-five) new personal referred Affiliates with 1 (one) new '1st (first) and main/head position (the one highest up)'.

This would mean that each new set of 25 (twenty-five) is preceded by 1 (one) new 'main/head position', which is registered on the same level as the original (first dated by that Affiliate) main/head position, and thereby on the upline position. Breach of any part of this clause is a serious breach of the P&P and may lead to the immediate suspension and/or even termination of the Affiliating of the Affiliate who is in breach without any right to refund.

5.9 The Affiliate network system is built on a matrix structure and an Affiliate can have as many personal Affiliates on his/her 1st (first) line as s/he wish. The Company keep register on how many personal Affiliates an Affiliate has on his/her 1st (line), where each 25 (twenty-five) give the Affiliate eligibility for 1 (one) new share of the Diamond Pool qualification.

5.10 Eight Week Non-Compete Clause

If an Affiliate who attempted and successfully procured a prospective Affiliate to sign any written document evidencing that the Affiliate attempted, successfully or unsuccessfully, to refer that prospective Affiliate to the Company, the prospective Affiliate shall not within eight (8) weeks from the date of the written document register him/herself under the referral ship of another Affiliate. The Company shall have the right to suspend and/or terminate the Affiliating for any breach of this clause without any compensation.

5.11 Obligation of conduct in reference to this Company

An affiliate shall not refer, attempt to refer or knowingly assist another person to refer to any other Company/Network within the framework of this company.

An Affiliate shall not refer to any person or Affiliate of another network/company if it's a breach of another company's/networks' rules and regulations. All networks, regardless of their orientation, are considered to be competitors of this Company.

An Affiliate should under no circumstances market any other network than this Company. This rule applies as long as the Affiliate is a member of this Company. If the Affiliate is active or inactive in the company has no significance. Breach of any part of this clause is a serious breach of Conduct by the Affiliate and may lead to the immediate suspension and even termination without any right to refund, according to § 8.2.

Affiliates of this Company can be approved to join other Networks or Companies if they get permission from exerglobal. An oral agreement is not valid. The agreement has to be in writing via official e-mail.

No Affiliate shall participate in any action knowing that participating in the action may cause an Affiliate or any person any damage in another affiliate company. It is the sole responsibility of any Affiliate, person or prospect to investigate and be up to date on the rules and regulations they might have in other affiliate companies. It is never the responsibility of an Affiliate of the Company, or the responsibility of the Company to investigate or know if a person, a new Affiliate or a prospect is breaching the rules of another affiliate company by joining this Company and can therefore never be accused of registering a new Affiliate wrongly by not having investigated the engagements of the new Affiliate. The new Affiliate takes full responsibility for such actions, weather it causes termination from the other affiliate company or not.

At Company functions, or on all Company property, no Affiliate shall solicit any person to join any other affiliate company or involve the sale of products of any other affiliate company. Breach of any part of this clause is a serious breach of the P&P and may lead to the immediate suspension and/or even termination of the Affiliating of the Affiliate who is in breach without any right to refund.

5.12 Breach of security

All Affiliates have a responsibility to maintain the network integrity of the Company. Any Affiliate who is found 'hacking' into or interfering or tampering with the Company's database or any part of the Company's computer system (hardware and/or software) or attempting to do any of the aforesaid acts without the proper authorization shall be liable to immediate termination of his/her Affiliating without any right to refund. S/he shall also be liable for all consequential damages and losses of the Company.

Unless required by laws, regulations or rules in any relevant countries, the Company shall have no obligation to provide tax information about the commissions and/or bonuses its Affiliates earned on behalf of Affiliates to any government authorities or to withhold any commissions and/or bonuses for paying its Affiliates taxes. Any commissions and/or bonuses paid by the Company are gross profits with no taxes of any kind withheld by the Company. If subsequent to payment of commissions and/or bonuses to an Affiliate, the Company is found liable for not withholding tax relating to those commissions and/or bonuses, the Affiliate shall indemnify the Company for such a liability.

5.15 Obligation to the Company

An Affiliate shall, at all times, remain loyal to the Company and shall not publish any written and/or verbal disparaging or adverse information/statement/s against the Company. S/he shall hold the Company's management in high esteem at all times, failing which, his/her Affiliating may be terminated notwithstanding that s/he may also be liable for libel or slander. In the event of a downline Affiliate terminates his/her membership, the Affiliate qualified to the Diamond Pool, needs to replace that downline Affiliate in order to continue to be qualified for the Diamond Pool. S/he re-qualifies as soon as the minimum downline Affiliates, on the Affiliate's 1st (first) line, reach 25 (twenty-five) again. An Affiliate with two (2) or more Diamond Pool qualification gets a bonus per each qualification. This means for example that if an Affiliate has two (2) Diamond Pools (totaling two (2) separate Diamond Memberships with each twenty-five (25) Diamond members, on its 1st line, under each) the Affiliate will receive two (2) shares of the Diamond Pool pot.

The bonus/es for qualifying to be a member of the Diamond Pool is paid out twice a year, normally around full and half year e.g. January and July. The Company reserves the right to be delayed without any obligation to pay any interest or additional amount to the Affiliates that have qualified as a compensation for any delay.

The bonus is calculated based on the turnover of the Affiliate membership (e.g. Diamond) in the relevant period. This means that the total turnover of Diamond membership is accumulated in the period and a percentage (%) of that turnover is shared between those Affiliates that have qualified

to the Diamond Pool. Following applies; 5% (five percent) of the Diamond membership fee turnover is accumulated in the period and is shared amongst the ones who have qualified. The periods on which the turnover is calculated on, are always from the 1st (first) of January until the 30th (thirtieth) of June and from the 1st (first) of July until the 31st (thirty-first) of December.

Further the Affiliates who have qualified to the Diamond Pool enjoys the benefit of receiving one (1) out of five (5) (which is twenty percent (20%)) of all 'free customers' (see description of a free customer below) into the Diamond Pool, equally distributed between the Affiliates main position (main position is the position that has qualified to the Diamond Pool and holds 25 (twenty-five) positions on its 1st line) who have qualified to the Diamond Pool.

FREE CUSTOMERS

A free customer is a person who has registered as a Basic Member (that has not upgraded to become an Affiliate) or has become an Affiliate, without any contact or referral by an already existing Affiliate. These persons become Basic Members (and possibly upgrade to become an Affiliate) through registration directly on the Company website (sign up) without using a referral link. The compensation, for the Affiliate that the free customer is signed up on, for a free customer is exactly the same as described above in the different parts of the compensation plan, as if a Basic Member or an Affiliate would be registered through a referral from another Affiliate. This means *for example* if a free customer register as a new Affiliate and is assigned to another (already existing) Diamond Affiliate's Downline on his/her first (1st) line, the already existing Diamond Affiliate receives one milestone reward of the Affiliate membership fee from the Company. Free customers are only distributed to Diamond Affiliates.

The free customers are distributed evenly and fair across all Diamond Affiliates. If a free customer themselves become a Diamond Affiliate, then s/he is also eligible for free customers.

CHANGES OF THE COMPENSATION PLAN

The suspension notice will be sent to the Affiliate's address on file pursuant to the notice provisions contained in the P&P and via email to the Affiliate's email address. Such suspension may or may not lead to the termination of the Affiliate as so determined by the Company at its sole discretion. If the Affiliate wishes to ask the Company to review the decision, s/he shall make such a request in writing to the Company within two (2) weeks from the date of the suspension notice. The Company will review and consider the suspension and notify the Affiliate in writing of its decision within four (4) weeks from the date of the receipt of the Affiliate's written request. The Company will deliver only the percentual amount of goods or services that the Affiliate has paid for in full and withhold the percentage of goods or services not paid for. If this should occur the Affiliate will receive no financial compensation for dividends from the unpaid percentage of goods or services.
- The company has the right to freeze an account, take a penalty fee or all assets, if a member intentionally hurt the company in any way.

8.3 Termination

An Affiliate may be immediately terminated for violating the terms of the Agreement, P&P, Compensation Plan, and/or any other relevant documents produced by the Company. The Company may, at its sole discretion, terminate the affiliating of a violating Affiliate without placing the Affiliate on suspension. When the decision is made to terminate an Affiliate, the Company will inform the Affiliate in writing to the address in the Affiliate's file that the termination has occurred. Upon update of P&P and other important documentation the affiliates are to confirm their compliance with the revised regulations.

It is the Companies' right to determine a deadline for the confirmation. Lack of confirmation from affiliates will result in termination. If an Affiliate wishes to ask the Company to review the decision to terminate, s/he shall make such a request to the Company in writing within two (2) weeks from the date of notice of termination. If no such request is received by the Company within the two (2)

weeks period, the termination will automatically be deemed final. If an Affiliate files a timely written request, the Company will review the decision and notify the Affiliate of the result of the review within four (4) weeks of the receipt of the Affiliate's request. Thereafter, the Company will not further review its own decision. In the event the termination decision is not reversed, the termination will remain effective as of the date stated in the original termination notice.
